Agreement name Joint Statement of the Government of India and the NSCN-IM

Date 30 Jul 2004

Agreement status Multiparty signed/agreed

Interim Yes

arrangement

India-Adivasi Conflicts (1955 -) (Northeast India)

Several of seven sister states in Northeast India have had ongoing conflicts with the central Indian government, as well as among themselves following India's independence from the British Empire in 1947. Northeast India, in particular, lags behind the rest of India in infrastructure development. Tensions also exist between the various ethnic groups and Indian nationals migrated from elsewhere.

Bodoland:

The Bodo are a predominantly Christian group of about four million people living in the mountainous region of eastern Assam, India. Since 1986, the guerrilla organization – the National Democratic Front of Bodoland (NDFB) – fought for independence of Bodoland. An initial truce was signed in 1989 and negotiations began with the Assam government. However, the NDFB resumed the conflict and new attempts to reach a peace settlement have not been successful. In 2005, a faction of the NDFB entered negotiations and signed a ceasefire agreement after suffering heavy losses. This splintered the NDFB and more radical factions that continue to fight.

Darjeeling:

Gorkhas in the state of West Bengal waged a guerrilla war against the central government from 1986-1988. Anti-foreign riots started in 1979 after a steady infiltration of Hindus and Muslims from other parts of Bengal. Tensions continued until the Accord of Darjeeling peace agreement was concluded in 1988. This accord provided for an autonomous Gorkha district around Darjeeling, which would remain part of West Bengal. It was implemented in The Darjeeling Gorkha Hill Council (Amendment) Act of 1994. After 2007, a second wave of enthusiasm for Gorkhaland was revived by the Gorkha Janmukti Morcha, however, this time by non-violent means. Nonetheless, the introduction of Bengali into schools, raised tensions in a Nepali-speaking region and as of 2017 conflict appears to be increasing.

Hmar:

Tension in Mizoram were primarily due to political domination by the Assamese over the Mizo. The Mizo National Front was formed in 1961 in the aftermath of a devastating famine in the Mizo Hills in objection to Indian Government response, or lack of. With popular support the MNF staged an uprising in 1966, but was unable to take control. It was only in 1986 that a peace accord was signed granting Mizoram statehood and the MNF became a political party. The same year the Hmar People's Convention was formed as a political party advocating for the rights of the Hmar which were ignored by the 1986 peace accord. The movement aimed to create an autonomous state in the north of Mizoram. A 1994 agreement between the HPC and Indian government resulted in the formation of the Sinlung Hills Development Council. However, a splinter group - the Hmar People's Convention-Democracy - was formed in 1995 demanding a separate administration.

Manipur:

The Manipur insurgency is linked to national, ethnic and political identity issues that occupy many of the conflicts in India's northeast that emerged following the independence of India in 1947. Among the largest groups are the United National Liberation Front, the People's Revolutionary Party of Kangleipak, the People's Liberation Army of Manipur, and the Kanleipak Communist Party. The conflict continues as of 2017.
