We therefore pledge ourselves that everyone within our control and under our political and military influence should cease fighting immediately. When forces are closely intertwined, there are inevitable problems of provocation, real or imagined, and retaliation. It is therefore imperative for the forces on the ground instantly to withdraw sufficiently to guarantee a genuine and total ceasefire. This means that instantly and simultaneously all armed formations, including the paramilitary forces, irregular units, the Croat National Guard and the JNA [Yugoslav Peoples Army] shall withdraw from immediate contact and from actual or previous areas where hostilities have take[n] or are taking place...We welcome readiness of the EC Monitors to oversee such a cease-fire, and we undertake to facilitate their work in reasonable conditions.
