## State definition

Nature of state (general) No specific mention.

State configuration Page 1,  
... Our agenda for work during these three days has allowed us, first of all, to see the Spanish system of autonomous communities from up close with a visit to the Community of Valencia. Talks with the president of the community, Eduardo Zaplana, the two deputy presidents and associated councillors showed the value modern and democratic Spain attaches to a local, decentralised and autonomous society in the framework of the territorial unity of nation. Autonomy has transferred full territorial powers to the communities in areas such as education, health, housing, tourism and regional channels. The vibrancy of Valencia shows the confidence of the people in their system and the possibility of achieving the highest standards of well-being. ...
