## Security sector

Security Guarantees	<p>Page 1, Given what is going through our beloved country due to war, imams and preachers have been compelled to ensure the governorate stays safe and stable, away from violence and fighting from any party, with the call to prohibit and criminalize the killing and fighting and bloodletting sinking it into a civil war which destroys everything. The ongoing wars in some governorates and what is happening there are a lesson and a warning, with the killing of innocent people, the displacement of the population, and the destruction of public and private property.</p> <p>We call on all sons the governorate in all orientations and backgrounds to unite as one against those who call for killing and fighting inside the governorate and cooperate with all the honourable in order to keep the preservation of the governorate of Ibb being quiet and stable as it has become a haven for the displaced and refugees from all governorates inflamed by the war with the prohibition and criminalization of all sectarian, doctrinal, regional, and racist calls.
