Civil society [Summary: The agreement in its entirety provides for establishing the hospital of Osijek and a zone around it as a protected zone under the control and provision of the ICRC.]

Page 1, 2.

(1) The protected zone will be placed under the supervision and control of the ICRC.

(2) There will be ICRC delegates permanently present in the zone.

(3) The ICRC may engage, as ICRC local staff, any civilian or group of civilians it considers suitable and reliable to assist it in supervising and controlling the protected zone.

(4) Parties to the agreement shall take every measure to ensure free entrance to and exit from the protected zone for the ICRC delegates and the local staff.

Page 2, 4.

(1) Access to the protected zone is restricted to the following categories of persons:

...

- ICRC delegates and ICRC local staff.

(2) The ICRC may extend admission to the protected zone to other civilians not taking part in the hostilities and seeking refuge in the protected zone...

Page 2, 5.

(1) The ICRC shall control that only persons of the above-mentioned categories shall be present or enter into the protected zone.

(2) The access of any person not corresponding to the above-mentioned categories is subject to the authorization of the ICRC.

Page 3, 12.

The protected zone will continue to receive the necessary food, water and power supply as well as the necessary medical supplies to ensure its functioning. It will also be entitled to humanitarian assistance by the ICRC or any other humanitarian organization.

Page 3, 13.

The competent authorities of the parties of this agreement will take all necessary measures to enable the functioning of the protected zone. They will in particular give all necessary collaboration to the ICRC and the staff in charge of administering the protected zone in order to implement the present agreement.

Page 3-4, 17.

(2) Should a party to the present agreement or the ICRC witness or allege any acts or situations which it considers contrary to the stipulations of the present agreement, it shall at once draw the attention of the ICRC and the party governing the protected zone to these acts or situations, and shall demand an immediate rectification of the matter.

(3) The ICRC shall examine the matter and report, as quickly as possible at the latest within 48 hours, to all parties on its findings on the alleged or witnessed acts or situations. The party which alleged acts or situations contrary to the present agreement may request the ICRC to convene, within five days, a meeting of the parties chaired by the ICRC which will discuss the matter. If no agreement can be reached at this meeting, the party which alleged acts or situations contrary to the present agreement may then declare that, within
