Democracy No specific mention.

Detention procedures No specific mention.

Media and communication Rights related issues→Media and communication→Media logistics
Summary: The agreement in its entirety provides for technical modalities to implement previous agreements on the legal and regulatory framework for telecommunications. Key provisions are coded here.

Page 1, Following a series of meetings under the EU-facilitated Dialogue on Telecoms, the parties agreed, on 13 November 2016, the following: 1. Mts d.o.o. will operate in compliance with the Kosovan legal and regulatory framework for telecommunications and the provisions detailed in these Conclusions. Once its licenses have been issued in accordance with points 3 and 4 of the 'Arrangements regarding Telecommunications', potential technical issues arising from the implementation of these licenses will be resolved directly between the company and ARKEP.

Page 2, 12. The above applicable conditions will be written into the license for fixed telephony services and the temporary authorisation for mobile services for mts d.o.o.. In accordance with the Telecoms Action Plan, these documents will be delivered to the EU facilitator by 29/11.

Page 2, 13. The Parties will review the content of the draft licenses, and the documents confirming the transfer of assets to mts d.o.o. (mentioned in point 11 above) and the draft letter that Serbia will send to the ITU agreeing that code +383 can be allocated to Kosovo. If these documents are in accordance with these Conclusions, by 3/12, Serbia will send a letter to the ITU agreeing that dialling code +383 can be allocated to Kosovo.

Page 2, 14. Upon publication of the code allocation in the bulletin of the ITU, the EU facilitator will hand over the license and temporary authorisation to mts d.o.o.

Page 3, 15. Immediately after the 3-digit dialling code is allocated to Kosovo, the EU will facilitate discussions on the remaining issues as defined in the updated Action Plan.

Mobility/
access No specific mention.
