Considering the military-political crisis that has raged since May 2017 in the prefecture of Basse-Kotto in general and the sub-prefecture of Kémbé in particular. An outbreak of violence and exaction has disrupted the peaceful life of the population:

Torture, burning of houses, looting, illegal circulation of weapons, taking people hostage, rape, enrollment of child soldiers, attacking the movement of people and goods, etc.

Given the above, the committee of elders for peace and social cohesion shall be set up by the community and religious leaders to sensitize armed groups and the population to the issues.
