Description In this interstate agreement the parties agree to provide safe routes for transporting grain and other foodstuffs from Ukrainian ports, through the Black Sea and through to the Mediterranean. The agreement sets out procedures for establishing a Joint Coordination Centre (JCC) and a set of inspection teams to be based in Turkey and ban the approach of military ships, aircraft, unmanned aerial vehicles (UAV) to the maritime humanitarian corridor within a distance to be defined by the JCC. The agreement is understood to have been signed separately by Ukraine and Russia, and the copy available was signed by Ukraine. However, the agreement notes Russia as a party and Russian Federation is listed as an agreement party in PA-X.

C. All activities in Ukrainian territorial waters will be under authority and responsibility of Ukraine.

The Parties will not undertake any attacks against merchant vessels and other civilian vessels and port facilities engaged in this Initiative.

Should demining be required, a minesweeper of another country, agreed by all Parties, shall sweep the approaches to the Ukrainian ports, as necessary.

D. Merchant vessels will be prior registered in the JCC, verifying their details and confirming their loading port, having liaised closely with port authorities. Vessels will be technically monitored for the duration of their passage. Vessels will proceed through the maritime humanitarian corridor, agreed by all Parties. The JCC will develop and disseminate a detailed operational and communications plan, including identification of safe harbours and medical relief options.

E. To prevent any provocations and incidents, the movement of vessels transiting the maritime humanitarian corridor will be monitored by the Parties remotely. No military ships, aircraft, unmanned aerial vehicles (UAV) may approach the maritime humanitarian corridor closer than a distance agreed by the JCC, without the authorization of the JCC, and after consultation with all Parties.

F. Should any suspicious activities, or non-compliance with the rules of this operation or emergencies occur on a vessel transiting the maritime humanitarian corridor, depending on its location, upon the request of a Party to the JCC and under international maritime law, the Parties will provide the required assistance to the crew or conduct an inspection against the security guarantees.

G. All merchant vessels taking part in this Initiative shall be subject to inspection conducted by an Inspection Team in the harbours determined by Türkiye at the entry/exit to/from the Turkish strait.
