<b>Description</b>	In Niger's Banibangou municipality, a peace agreement was signed to conclude a twenty-year conflict affecting agro-pastoral activities and resulting in over 300 deaths and the displacement of thousands. Facilitated by the Centre for Humanitarian Dialogue (HD) after nearly two years of mediation, the accord addresses tensions arising from competition for natural resources and armed violence in the Tillabery region. The agreement establishes a monitoring committee to oversee its execution, aid displaced people's return, and manage ongoing disputes.
