Description This agreement establishes the structure and responsibilities of the Monitoring and Verification Mechanism for overseeing the temporary ceasefire agreed on 8 June 2023. It details the composition and roles of the national, regional, and local bodies of the mechanism, which include members from the United Nations Verification Mission in Colombia, the Government of Colombia, ELN, and the Episcopal Conference of Colombia. These bodies are tasked with ensuring compliance with the ceasefire, preventing and resolving incidents, and supporting the peace process. The peace talks panel is designated as the highest decision-making authority on matters related to the ceasefire, based on reports and recommendations from the monitoring mechanism. This protocol is part of a broader effort to de-escalate conflict and advance peace negotiations in Colombia.
