Page 3, 8. RE-TABLING OF LAWS

The meeting expressed concern that the laws have not been adopted as agreed to in the Pretoria agreement.

The parties made an appeal to the representatives of the people of Cote d'Ivoire in the National Assembly to contribute to the peace process by assisting in the implementation of this agreement.

In that regard, the National Assembly should adopt, by 15 July 2005, all the amendments to the seven laws proposed by the Mediation, failing which the Mediator is authorised to make a determination about exceptional measures, inter alia, ordinances and decrees, to be taken by the President to ensure the passage of the amendments.

The said laws relate to the IEC, Financing of Political Parties, Nationality, Identification, the Human Rights Commission, the Print Media and the Audio-Visual Communication.

The law on the financing of political parties would be amended to provide that parties outside the National Assembly would be funded provided that they have representatives at the local government level. Such funding will commence on 15 July 2005.

Page 1, 2. DISARMAMENT AND DISMANTLING OF THE MILITIA

The Prime Minister reported on preparatory work done by the government for the disarmament and dismantling of the militia. The meeting noted that the actual disarmament and dismantling of the militia has not yet commenced. In this regard, it was agreed that this process will commence immediately and end by 20 August 2005.

It was also agreed that the Troika, comprising the Prime Minister, the Mediator and ONUCI, will evaluate what additional support may be necessary to expedite this process, with a view also to shorten the time within which this task would be finalised.

Page 2, 3. DISARMAMENT, DEMOBILISATION AND REINTEGRATION (DDR)

Recognising that it would be impossible to hold elections while this matter is outstanding, the meeting expressed great concern with the lack of progress with regard to the DDR process.

The meeting took note of the common will of the Chiefs of Staff of both forces to be part of the DDR process. They resumed military dialogue and withdrew heavy weapons from the frontline. They finalised a PNDDR/RC for the country and a timetable for the re- organisation and restoration of the defence and security forces.

The meeting strongly encouraged them to accomplish further progress in the DDR process. To this end, the Chiefs of Staff of FANCI and the FAFN will meet with the CNDDR on Thursday, July 7, 2005, to finalise the adoption of a DDR timetable.

The meeting was informed that the government has started to rehabilitate DDR sites in the North of the country. The Chairperson of the CNDDR assured the meeting that three sites in the North would be ready for the intake of combatants within three weeks. Sites in the South are ready.

Accordingly, it was agreed that the intake of combatants should start as from the end of July 2005, recognising the linkage with the decision to amend the Nationality and Identity laws as set out in item 8 below. In the meantime all other agreed programmes on DDR, such as sensitisation and rehabilitation of other sites would continue.
