(a) The Government is willing, in the interest of the process of reconciliation and in order to expedite the rate of repatriation, to grant amnesty to returnees in respect of political offences they may have committed before 12:00 on 8 October 1990 and which qualify for indemnity in terms of the guidelines published. However, cognisance is taken of the possibility that persons could have left South Africa after 8 October 1990, for political reasons without travel documents. Their position will be considered if and when information regarding such cases is submitted to the Government.
