The meeting was conducted in a cordial atmosphere despite the complexity of the subject. The TWGs in consultation with their respective Peace Panels succeeded in resolving the unfinished contentious issues from the last meeting in Port Dickson. Both sides adopted the consensus points on the strand on governance.</p> <p>With this breakthrough, the peace process is on track to complete the ancestral domain agenda before the end of the year. The addition of the ancestral domain accord to the two previous agreements already signed on Security (2001) and the Rehabilitation and Development (2002) completes the requirement of the Tripoli Agreement on Peace of 2001.</p> <p>The Malaysian Secretariat acknowledged the high level of trust and confidence between the Panels and their respective TWGs for their vital role in ensuring the successful conduct of discussions on the ancestral domain aspect.</p>
