Local agreement properties

| | |
|---|---|
| Process type | Informal but persistent process |
| Rationale | This agreement is one of several between the Autonomous Province of Western Bosnia and other self-declared republics, that was conducted without the approval of the Bosnian government and outside of the formal national peace talks, relating to the status of the Bihac region in northwestern Bosnia. |
| Is there a documented link to a national peace process? | No |
| Link to national process: articulated rationale | This agreement makes several references to being in accordance with the Owen and Stoltenberg Peace Plan. However, the agreement is made between the leader of a newly self-declared autonomous province and a second self-declared republic, and secondary sources suggest that this was agreed in a process that was conducted in parallel to and contradiction of the national peace process. |
