Local agreement properties

Process type	Isolated example
Rationale	This agreement appears to be the result of an ad-hoc meeting between municipal representatives to address the immediate issue of barricades and conflict between units of the Territorial Defence and the HVO in the Kiseljak area on the 7 and 8 of August 1992, but not linked to any wider talks. Extensive searches have not produced any publicly-available evidence to suggest that there was a prior or clear practice of signing agreements in the area.
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	The agreement states that 'During further talks, both sides will in a civilised and peaceful manner and in the spirit of the Agreement on Friendship and Cooperation signed by the republics of Croatia and Bosnia and Herzegovina in Zagreb on 21 July 1992, reach an agreement on the following matters within three days at most:....'. The agreement was also signed in the presence of a member of the Bosnia and Herzegovina Presidency, Franjo Boras.
