### Local agreement properties

**Process type** Isolated example

<b>Rationale</b>	Secondary sources suggest that this was brokered by locally based UNPROFOR British troops in response to deteriorating relations and outbreaks of violence between Croats and Muslims in Central Bosina, specifically barricades and prisoners in Kruščica, on the edge of Vitez. There are no clear links to connect it to the agreement made at the same time between representatives of the nearby villages of Santici and Ahmici.
<b>Is there a documented link to a national peace process?</b>	No
<b>Link to national process: articulated rationale</b>	There is no link to a national process referenced in the agreement, and secondary sources suggest that this was brokered by locally based UNPROFOR British troops in response to deteriorating relations and outbreaks of violence between Croats and Muslims in Central Bosina. It is difficult to establish a clear link between this and the national level talks.
