Local agreement properties

Process type	Formal structured process
Rationale	The Church Leaders Mediation Initiative (CLMI) mediated between high-level representatives from the government of South Sudan as well as from the South Sudan Democratic Movement/Defense Army Cobra Faction in Addis Ababa in a process called the 'Jonglei peace dialogue' which has led to the signing of this peace accord. This peace agreement followed the cessation of hostilities agreement between the parties from 30/01/2014 ('Agreement on a Cessation of Hostilities between the Government of the Republic of South Sudan and the South Sudan Democratic Movement/Defense Army, Cobra Faction'). There were other peace processes in Jonglei prior to this dialogue (for example the All-Jonglei conference in May 2012).
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	This is an agreement between a central government delegation and the Cobra Faction which was part of the South Sudan Democratic Movement (SSDM), one of the key opposition groups in the national-level conflict. The agreement builds on the cessation of hostilities agreement between the parties of 30/01/2014 as well as an earlier ceasefire unilaterally declared by the government of South Sudan on 06/01/2014.
