Local agreement properties

Process type Formal structured process

Rationale	This agreement is part of a series of initiatives launched between 1997-2007 aimed at ending the Adadda conflict. The Puntland administration, traditional leaders (Isimo), elders, and religious leaders supported the peace process that led to the signing of this agreement.
Is there a documented link to a national peace process?	No
Link to national process: articulated rationale	Neither the agreement text nor limited background research suggests a link to a national-level peace process.
