## Local issues

**Ritual/prayer and process (including use of scripture)** No specific mention.

**Grievance List** Page 1, We, the inhabitants of Kamenge, neighbourhood Teza II, the Hutu and Tutsi, displaced persons, returnees and receiving communities living in the neighbourhood:

- Considering that Burundi has just spent more than ten years in war
- While the war has largely destroyed Kamenge, where the Tutsi were driven from their homes, and thereafter the Hutu have been driven off their homes, and where populations have been victims of looting, killings, rape and many other crimes that were committed in time of war. We affirm that:
- Our life together here in the neighbourhood of Teza II has been largely destroyed by people from outside, be it by the politicians, the military or other wrongdoers
- During the war, the Tutsi have left their households and have become refugees, driven away particularly by fear
- The Hutu were also expelled and persecuted with such gravity that some have found themselves with the Tutsi in camps for displaced or elsewhere. As the saying goes in Kirundi: “Nta mwonga ubura isato iba idahizwe” (there is no blood without thorns). Wrongdoers especially among young people have committed crimes to those who are not of their ethnic group, have persecuted them, looted their property and even killed.

Page 2, All of us Hutu and Tutsi, aware that some very serious crimes have been committed by the people of our neighbourhood themselves, from now on refrain from pointing the finger of blame to avoid the risk of going back to conflict

**Cattle rustling/ banditry** No specific mention.

**Social cover** No specific mention.
