Local agreement properties

Process type Formal structured process

Rationale	This agreement is the first agreement of two that resulted from a two-phased mediation initiative led by the Evangelical Presbyterian Church (EPC) and His Voice Global USA. The Commissioners of Yei River State and elders from Uganda are parties to the agreements, suggesting some level of formality. The second phase of this initiative led to the signing of the 'Grassroots Agreement to Promote National Dialogue in Yei River State and South Sudan' on 30/04/2017.
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	The parties to this agreement include representatives of the South Sudanese government as well as a splinter group of the SPLA-in Opposition, one of the main parties to the national-level comprehensive agreement, the Revitalised Agreement on the Resolution of the Conflict in the Republic of South Sudan (R-ARCSS), signed about one and a half years after this agreement was done. Agreement also links this subnational mediation initiative to the national level: Page 8, CONCLUSION, e) The Commissioners of Yei River State, Opposition leaders who have taken arms against the government of Yei River State and South Sudan at large, the Kakwa elders of Uganda and the Evangelical Presbyterian Church (EPC) representatives hereby reaffirm their commitment to the message of the President of the Republic of South Sudan on the commencement of national dialogue.
