Local agreement properties

Process type Isolated example

Rationale This agreement is part of the same gathering of local leaders as the Meranao Peace Declaration of 31/12/2017. In fact, the participants completed the signing of the Historic Iligan Royal Declaration on 29/12/2017, in the same hotel as the one where the Meranao Peace Declaration document is signed. Thus, while there are two documents from the meeting, they form an isolated example of peacemaking.

Is there a documented link to a national peace process? No

Link to national process: articulated rationale There is no indication that these talks were part of the negotiations between the main sides in the Mindanao conflict.
