Local agreement properties

Process type	Formal structured process
Rationale	-> Link to national level; external support mechanism; culture of signing The signing party, the Tebu Tribal Council, was formally established to "coordinate and end the Sabha crisis". Moreover, the agreement is embedded in a culture of signing (and supporting) agreements to end the crisis in Sabha (calls for a ceasefire were made in April 2018).
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	The agreement is clearly linked to the national process. It affirms the will of the parties to adhere to a previous ceasefire in order to allow Libyans to participate in the Libyan National Dialogue organised by HD (Geneva) under auspices of UNSMIL. The agreement finishes with the phrasing: "May Allah Preserve Libya".
