Local agreement properties

Process type	Informal but persistent process
Rationale	-> Link to national level; no external support mechanism; culture of signing The agreement is clearly embedded in a culture of signing (and supporting) agreements to bring an end to violence between the tribes inhabiting this locale (Fezzan region).
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	[Summary] Agreement is a statement from a self-appointed Supreme Council of Fezzan which acts as a local governing body. However, the agreement legitimises the role of the state and does not challenge it. Indeed, point five states: Page 1, 8. The attendees of this meeting call upon all of the elected officials from Fezzan, including the members of the two houses of parliament, state officials, and members of the Presidential Council, to suspend their memberships and return immediately to Fezzan until a suitable solution is found.
