Process type	Formal structured process Isolated example
Rationale	This unilateral ceasefire was announced in the context of a 'seven-month mediation process undertaken by the Center for Humanitarian Dialogue, with the support of the regional authorities, on behalf of the Malian Government' (p.1). Limited contextual research does not suggest a track record of signing such agreements (Dan Nan Ambassagou was founded in 2016).

Link to national process: articulated rationale	The agreement was negotiated outside of the national-level peace process as it deals with conflict in central Mali. Dan Nan Ambassagou does not take part in the national-level peace negotiations at the time of writing.
