**Local agreement properties**

Process type Formal structured process

Rationale -> Link to national level; external support mechanism; culture of signing The agreement was supported by the UN Support Mission in Libya (UNSMIL) who invited dialogue between the signing parties and officially congratulated them for reaching an agreement.

Is there a documented link to a national peace process?

Yes

Link to national process: articulated rationale

The agreement seems to be linked to the national process. It was supported by UNSMIL and was signed under the auspices of Special Representative of the Secretary-General in Libya, Dr. Ghassan Salame. The agreement follows "the United Nations' deep concern over the violence and humanitarian harm resulting from the armed conflict in Tripoli" and states that "further dialogue will be established by the United Nations". Finally, representative of the Libyan interim government, the Government of National Accord, are parties to the agreement.
