### Local agreement properties

|   |  |
|---|--|
| Process type  | Informal but persistent process  |
| Rationale   | This agreement was concluded with the assistance of a negotiator, but there are no signs of a dedicated body or process that supported this local peace process. However, another agreement in the general area (Gribingui) was signed between factions of the MPC and anti-Balaka on 08/06/2016 (see 'Pacte de Non-Agression'). |
| Is there a documented link to a national peace process? | No   |
| Link to national process: articulated rationale         | Neither the agreement text nor limited background research suggests a link to the national-level peace process.  |
