Grievance List

Page 1, As part of its attempts to implement the recommendations of the peace agreement of 09 April 2018 in Bangassou, the monitoring committee carried out a mission from 18 to 23 February 2019 in Gambo and Pombolo, two sister municipalities that had clashed in these last military-political events.
The purpose of this mission was to communicate with the two communities of Gambo and Pombolo who, after the events of May 17, 2017, did not talk or interact with each other.

Page 3, To this end, the monitoring committee is launching a distress call to humanitarian aid to help the returning displaced, who have a total lack of food and non-food items. The situation is very worrying and alarming. The monitoring committee pleads with MINUSCA- Bangassou to find a way to set up a Community Violence Reduction Program (CVR) for the communities of Gambo and Pombolo in order to try to solve the issue of unemployment of young people which leads to delinquency and acts of vandalism. In addition, the monitoring committee continues to plead with MINUSCA Bangassou to find ways to rehabilitate the Bangassou-Bambari road, as this road is in a state of advanced degradation. If nothing is done by the rainy season the city of Bangassou could be cut off.
