Local agreement properties

Process type	Informal but persistent process
Rationale	Neither the agreement text nor limited background research suggests that a formal mechanism was in place to support the process that led to the signing of this agreement. The two signing parties did not take part in any other agreement this area in the few months that preceded the agreement.
Is there a documented link to a national peace process?	No
Link to national process: articulated rationale	Neither the agreement text nor limited background research suggests a link to the national-level peace process.
