Local agreement properties

Process type	Informal but persistent process
Rationale	The parties are regularly signing agreements at the local level, and this is an established, persistent practice. However, the process is not formal and structured, as the agreements are signed ad hoc.
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	The armed groups signing the agreement are active locally and nationally. In the document, they refer to the Khartoum Agreement (Accord) which is a national-level document, thereby forming a link to the national process.
