Local agreement properties

Process type	Formal structured process
Rationale	The agreement references previous peace agreements and road maps signed by the armed groups present in Haute Kotto, including confidence building measures signed on April 9 2019. The agreement is also the result of the Inclusive Intra and Inter-communal Reconciliation Forum.
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	The agreement includes an action or recommendation point to 'enforce strict compliance with the commitments made by the Armed Groups when signing various local Agreements and Confidence-Building Measures, including the Khartoum Accord', which is the Political Agreement for Peace and Reconciliation in the Central African Republic (also known as the Khartoum Accord), which was signed between the national government of CAR and multiple groups, and guaranteed and facilitated by the African Union, international actors, and neighbouring states.
