Local agreement properties

Process type	Formal structured process
Rationale	The agreement was signed after the second of a series of meetings held in Acharane between the Idnane community and allies in the Timbuktu region regarding peace, social harmony and cohabitation. It was attended by more than 1500 participants, including "including chiefs of tribes, fractions and villages, elected representatives and town councillors" and was apparently facilitated by the Malian armed forces and security forces.
Is there a documented link to a national peace process?	Yes
Link to national process: articulated rationale	The agreement is headed by the name and motto of the Republic of Mali [One People – One Goal – One Faith] and seems to have been supervised by the Malian armed forces; the signatories "offer their hearty thanks to the Malian armed forces and security forces (FAMA) and the CMA (Azawad Movement Meeting) for their support in making the event a success".
