### Local agreement properties

**Process type** Isolated example

<b>Rationale</b>	The agreement is a civilian initiative that does not seem to have been signed by representatives of the Syrian regime or Syrian forces - although it aims to preserve 'the status of the state'. Moreover, at the time the ceasefire initiative was launched, there was no culture of signing agreements as a medium to solve recurring issues in this locale and to reach peace. More agreements will be signed in Zabadani in 2015, 2016 and 2017.
<b>Is there a documented link to a national peace process?</b>	T
<b>Link to national process: articulated rationale</b>	While the agreement does not seem to have been signed by representatives of the Syrian regime or Syrian forces, it aims to preserve 'the status of the state' and foster cooperation between representatives of the Syrian state and civilians.
<b>Name of Locale</b>	Zabadani and surrounding agricultural lands
