The NTS will be carried out in a traditional manner with a questionnaire to be previously submitted to the National Government and the FARC – EP (which will include socio-economic impact data). The questionnaire shall be developed specifically for Colombia. The team will evaluate all available information, shall consult key information sources and will also speak with men and women who live in the affected areas. The results of the NTS will be the basis for the development of a clean-up and decontamination plan.

Implementation No specific mention.

Other No specific mention.
