Interim arrangement	Yes
Agreement/conflict level	Intrastate/local conflict

Nepalese Insurgency (1996 - 2006)

Inspired by the Maoist insurgency in Peru in the early 1990s, the Communist Party of Nepal (Maoist) – CPN(M) – declared war on the Nepalese government in February 1996. A key demand was the transformation of Nepal from a monarchy into a ‘People’s Republic’. Following a pronounced Maoist military strategy, the CPN(M) focused their insurgency on the rural areas. They gained significantly in strength and it took heavy international military support to stabilize the Nepalese government in 2002. After public protests escalated in Kathmandu in 2004, the Nepalese King Gyanendra took authoritarian control over the government. In the cities, a strong popular movement for democracy emerged, forcing the government into fast progressing peace negotiations in 2006 that concluded with the signing of a Comprehensive Peace Accord on 21 November 2006.

Description

An agreement between the Government Talks Team comprising the Seven political Parties and Sanghiya Ganatantrik Rastriya Morcha. Issues covered include inclusion of marginalised groups in state structures, reparations for martyrs' families, and the withdrawal of general shutdowns and strikes to ensure a successful constituency assembly election.
