On the basis of the principles of national participation, fair representation, merit, honesty, and commitment to the reform programs of the national unity government, the parties are committed to the following:...

- The President and the CEO will agree upon a specific merit-based mechanism for the appointment of senior officials. The mechanism will provide for the full participation of the CEO in proposing nominees for all applicable positions and for full consideration of all nominations. In conformity with the intent of the Joint Declaration and its annex (Article 5), the President and the CEO will consult intensively on the selection of senior appointees not covered by the Civil Service Commission through the above mechanism, which can lead to equitable (Barabarguna) representation from both parties, and with attention to inclusivity and the political and societal composition of the country, with particular attention to women and youth, and persons with disabilities, for state institutions and agencies, including key judiciary and local administrative posts. The two parties are committed to early reform of the Civil Service Commission.
