Development Development→Rehabilitation and reconstruction

Page1 :

1. Both parties agree that the rights of children and women should be upheld at all times and that essential services must be provided without interruption;
2. Both parties recognize the need to undertake deliberate extra-ordinary efforts to reach children and women living in conflict-affected and hard-to-reach communities;
3. Both parties acknowledge that political negotiations at the highest levels should be complemented by peace-building efforts at the grassroots to ensure support and participation of communities in the peace process;
4. To help improve the situation of children and women and contribute to the enhancement of the social condition for peace, UNICEF will launch a “Days of Peace” campaign designed to deliver basic social services in conflict-affected areas in Mindanao;
5. UNICEF will use its own resources as well as mobilise support from international organizations, the Philippine government and civil society organisations to deliver these services;

Development→Health (general)

Page 1:

6. The initial round of Days of Peace will commence on April 16 and will consist of immunization, micronutrient supplementation, de-worming and breastfeeding counselling in selected barangays; follow-up rounds will occur in June/July and October in 2007 and beyond with additional basic services that will be added on, i.e. birth registration, malaria control, control of communicable diseases such as tuberculosis, etc.; the establishment of community-based health programmes in selected areas will also be initiated during this period;

Implementation No specific mention.
