**Description** This is a short agreement which is part of a series of short agreements which take place in the approach to the 2020 Sudan peace agreement, the Juba agreement. This short framework agreement reaffirms the political arrangements between the transitional government of Sudan and the parties of the Darfur track, substantively providing for the constitutional process and early provisional power-sharing ideas. The agreement broadly reaffirms the necessary conditions for peace already agreed in previous agreements, promoting development, humanitarian access, continued ceasefire arrangements and more broadly, notions of good governance from all levels of government. These agreements in essence establish a relationship between the new transitional government of Sudan and other peripheral armed groups who seek to ensure that their own causes within their process do not get lost within the implementation phase of new government.
