It emphasizes timely, contextually relevant, and respectful education campaigns, employing diverse methodological approaches sensitive to ethnic, territorial, and demographic considerations. The protocol delineates the responsibilities of different stakeholders in leading educational efforts within their respective spheres, including the government, ELN, the Episcopal Conference, and the UN Verification Mission, aiming for a comprehensive understanding and support for the ceasefire agreement. This initiative, endorsed in Havana, Cuba, on 13 July 2023, invites societal groups to participate in raising awareness and fostering a common narrative towards peace.
