

AGREEMENT BETWEEN THE ARMED GROUPS OF BATANGAFO

- Considering that the population of Batangafo has suffered so much;
- Considering that the free movement of goods and persons is a universal right;
- Considering that the crisis that is shaking our city does not benefit anyone;
- Considering that this crisis constitutes a socio-economic block for our city;
- Considering that this agreement will serve as a transposable model for certain conflict zones in Central African territory;
- Considering that the Christian and Muslim community are condemned to live together;
- Considering that peace has no price;

We, armed groups of Batangafo (Ex-SELEKA and ANTI-BALAKA) under the supervision of the United Nations' Multidimensional Integrated Stabilization Mission in the Central African Republic (MINUSCA), commit ourselves to respect the following recommendations:

- Free movement of goods and persons;
- A real collaboration between the armed groups;
- Permanent return of IDPs to their respective localities;
- Establishment of a joint monitoring committee to preserve peace in said locality;
